

Caring for Your Thermory Ash Decking

Simple solution for surface scratches

If your Thermory Ash decking experiences minor surface scratches, there's an easy solution:

What to Do:

- 1. Gently sand the affected area using 120-grit sandpaper.**
- 2. Wipe clean to remove any dust.**
- 3. Apply a small amount of Owatrol Textrol oil to the area.**
- 4. Allow it to dry and blend in naturally.**

This simple maintenance step can help restore the natural beauty of your Thermory Ash decking with minimal effort.
